Dated 08.04.2021

NOTIFICATION

Sub: Application for appointment as Distinguished Visiting Professor - called for-

Applications are invited from interested persons for appointment as Distinguished Visiting Professor on contract in the University subject to the following terms and conditions.

Kerala University of Digital Sciences, Innovation and Technology (Digital University Kerala) is a University established by the Government of Kerala to promote studies, research, entrepreneurship and extension activities in the Digital world. Its application domains are in the areas of Science, Engineering and Humanities.

Distinguished Visiting Professor

Distinguished Visiting Professor should be an eminent scholar, academic or a practitioner with proven credentials capable of providing leadership in the academic and research activities of the University. A DVP is expected to commit at least 20 hours per week in teaching, research, institution building and/or extension activities of the University. The normal tenure for the position will be 1 year. The maximum age at the time of application will be 65 years. They will be paid a consolidated honorarium commensurate with their experience depending upon the nature and extent of engagement.

Eligibility

Superannuated persons from National Institutions of Excellence or Government/ Government aided institutions, Top International Universities will be preferred for the position of Distinguished Visiting Professor. People who had at least 12 years of service as Professor in one of top 50 NIRF Universities / Technical Institutions in India or among top 500 THE ranked global institutions also may be considered for the position. Persons who superannuated at a senior Executive level from Industry/ Research centres of relevance may also be considered as a special case provided the person had demonstrated academic qualities (as measured by publication, patent and other scholastic contributions) in the organisation. Persons who were in senior leadership positions of companies with at least 100 Mn USD turnover only will be considered. The persons from R&D centres of Government, in India or abroad also may be considered. Ph.D is mandatory for DVP from academic institutions, While Ph.D is desirable in case of people from industry, first class Master level degree Is mandatory for them.

The applicant should be having credentials as expected from a Professor (Higher Grade) of the University. The points required for the Professor (Higher Grade) will be applicable for Distinguished Visiting Professor.

Selection

The positions are open throughout the year. The applicants may be shortlisted every quarter based on the requirements; final selection will be based as a discussion with the selected committee of the University.
